WATANIA FOR MODERN INDUSTRIES

It is a specialized factory for various types of fire fighting manual products (cabinets, fire hoses, racks ,reels and accessories).

We manfacture all our cabinets in house at our factory which use the best machines and technology.

OUR COMPANY ON

www.wataniagroup.net

Watania fire hose cabinets are produced by highly skilled workers and carry relevant and required international certification.

WE ARE

Our Story began in 1997.

Watania Group was established on the belief of being one of the largest Automatic Fire Systems Solutions in Egypt and in the Middle East Area.
The first step was by choosing the finest products certified either fire fighting or fire alarm scope, All were UL Listed, FM & LPCB approved.

Our team has always been known to be one the most powerfully educated staff in the field, but most of all the one-team-spirit comes as number one priority before all.
Watania Group is simply one source for all fire protection needs.
